

# FREEDOM FEST

Freedom Fest, Louisburg's July 4th celebration, is organized by an **independent volunteer citizen committee and not the City of Louisburg**. The entire celebration is paid by donations made by area businesses and at the gate. This year's fireworks are expected to cost about \$9,000, of which the City does contribute half the cost. The City does provide logistical support.

The Freedom Fest committee offers sponsorship opportunities for the 2026 celebration honoring our nation's 250th birthday. The committee relies on the support of the community to continue this annual event.

It would be great to have your support! For more information, contact the City's liaison to the committee: [jcarder@louisburgkansas.gov](mailto:jcarder@louisburgkansas.gov) or 913-837-2324.

## TITLE SPONSOR - \$3,000
